<p><b>THIS IS A FOLLOW UP INSPECTION TO PREVIOUS INSPECTION DOC#: 679605197.</b>  Only one previous corrective action assigned to this location has been resolved. All previous corrective actions that have not been resolved have been re-assigned to this location with their original corrective action date. One new corrective action was observed at the time of re-inspection.</p> <p><b>COGCC Inspection Report Summary</b>  <b>**Weather Conditions: sunny, dry ground</b>  On Wednesday, June 28, 2023 at approximately 15:30, I, Inspector Brittani Santistevan, conducted an on-site inspection at JEAN ANN 25-22 (Blue Chip Oil Inc.), at location #: 305408 in WELD COUNTY Colorado.  While there, I observed a TA wellhead.  During this inspection the following possible compliance issues were observed:  1. Trash (wood pallet) inside wellhead fencing. Remove to comply with Rule 606. (Corrective Action Date: July 28, 2023) See attached photo #3.  2. Unused equipment south of tank battery and north of storage shed. Remove to comply with Rule 606. (Corrective Action Date: November 19, 2022) See attached photo #9, 6.  3. Unused equipment on multiple areas of location. Remove to comply with Rule 606. (Corrective Action Date: July 28, 2023) See attached photos #4, 5, 7, 8.  4. No signage displayed at wellhead. Install sign to comply with Rule 605.d. (Corrective Action Date: July 28, 2023) See attached photo #2.  It is unknown if the stained soil was treated under the master valve of the wellhead because there is a wood pallet where the stained soil would have been.  A follow up on this site inspection needs to be conducted to ensure the compliance issues have been corrected to comply with COGCC rules.  This is a summary of inspection report.</p>	santistb	06/28/2023
