Narrative

<p>Include specific incident information and mitigation actions taken to stop and clean-up the spill/release</p>	<p>While removing the Aristocrat Angus 12-3 & 12-3C flowline, historical impacts (PAHs) were discovered along the flowline corridor. The impacted soil will be removed and hauled to a licensed disposal facility. Confirmation soil samples will be collected in compliance with COGCC Table 915-1.</p>
<p>Acknowledgement</p>	<p>I acknowledge that a written follow-up notice must be submitted to Weld County OEM/LEPC as soon as practicable after the release. The follow-up notice must update information included in the initial notice and provide information on actual response actions taken and advice regarding medical attention necessary for citizens exposed.</p>
