Detailed description of the issue(s) * (?)

Please provide as much detail as possible. It is important to narrow down the issue(s).

Too loud again. It's almost 9 o'clock and I have been working all day. Can't even hear my music over the noise from this operation on my back deck. This is an ongoing problem and it never ends. I would really like to talk with someone about this as the topography has a huge impact here. Ive done all I can physically do to coexist with this operation and they still won't quiet down.

Is this an ongoing issue(s)? *
