ATTENTION MR. MARK DAVIS

Dear Mr. Davis,

I am respectfully requesting an exception to Rule 318, which requires any well to be staked a minimum of 600' from the lease line.

I have staked the well 470' from the lease line due to a ditch, and am the lessee on the adjacent lease in question.

Both are State leases, find attached, with land plat, and topo.

AGREED AND ACCEPTED

Mr. Mark Davis

Sincerely yours,

Jay Deason, Manager
