LOCATION CHANGE COMMENTS

Comments:

Klabzuba Oil & Gas, Inc. is submitting this Sundry Notice to notify COGCC that the location is ready for Final Reclamation inspection. The plugging, including the cementing of the well, the removal of its associated production facilities, and the abandonment of its flowline(s), was done in 2004. There is little knowledge of the actual reclamation procedures as the reclamation work was performed approximately 19-years ago . The location reclamation work done is consistent with the current COGCC 1001 Series Rules.
