Comment:

	<p>This location does not comply with Rule 1004. Reclamation rules require reclamation activities to be conducted within twelve months of plugging on non-cropland. Well was plugged 08/30/2020. It does not appear any reclamation work has been performed; gravel remains throughout the location and access roads which have not been re-contoured or re-graded; weedy, annual vegetation was observed which includes but not limited to russian thistle and kochia. Refer to attached inspection photos. See also FIR Doc #708200376 for additional information on access roads.</p>	
Corrective Action:	<p>Comply with Rule 1004. Reseed disturbance areas using a seed mixture requested by the surface owner, or a mixture prescribed by the local county NRCS. Establish vegetation with total perennial, non-invasive uniform plant cover of at least eighty (80) percent of reference area levels. Ensure erosion controls are implemented to stabilize the seeded soil. Operator shall continue to monitor and manage this site until the location meets Rule 1004 standards, including stormwater and weed management. Corrective action date is the date the location was observed out of compliance.</p>	Date _____
Overall Final Reclamation	Fail	Well Release on Active Location <input type="checkbox"/> Multi-Well Location <input type="checkbox"/>
