PLANNED COMMUNITY CONSULTATION

Stakeholder Best Management Practices (BMPs):

- The Stakeholder Relations team is a dedicated resource for stakeholders, and we are available during daytime and evening hours. We strive to respond within one business day.
- Proactive community consultation includes sharing information, listening to stakeholders, and considering their concerns and feedback related to all aspects of our operations including public health, safety, and welfare.
- We offer multiple ways for stakeholders to communicate with us including phone, mail, email, text, in person, and our stakeholder website. We will adapt our outreach to meet each stakeholder's preference and abilities.

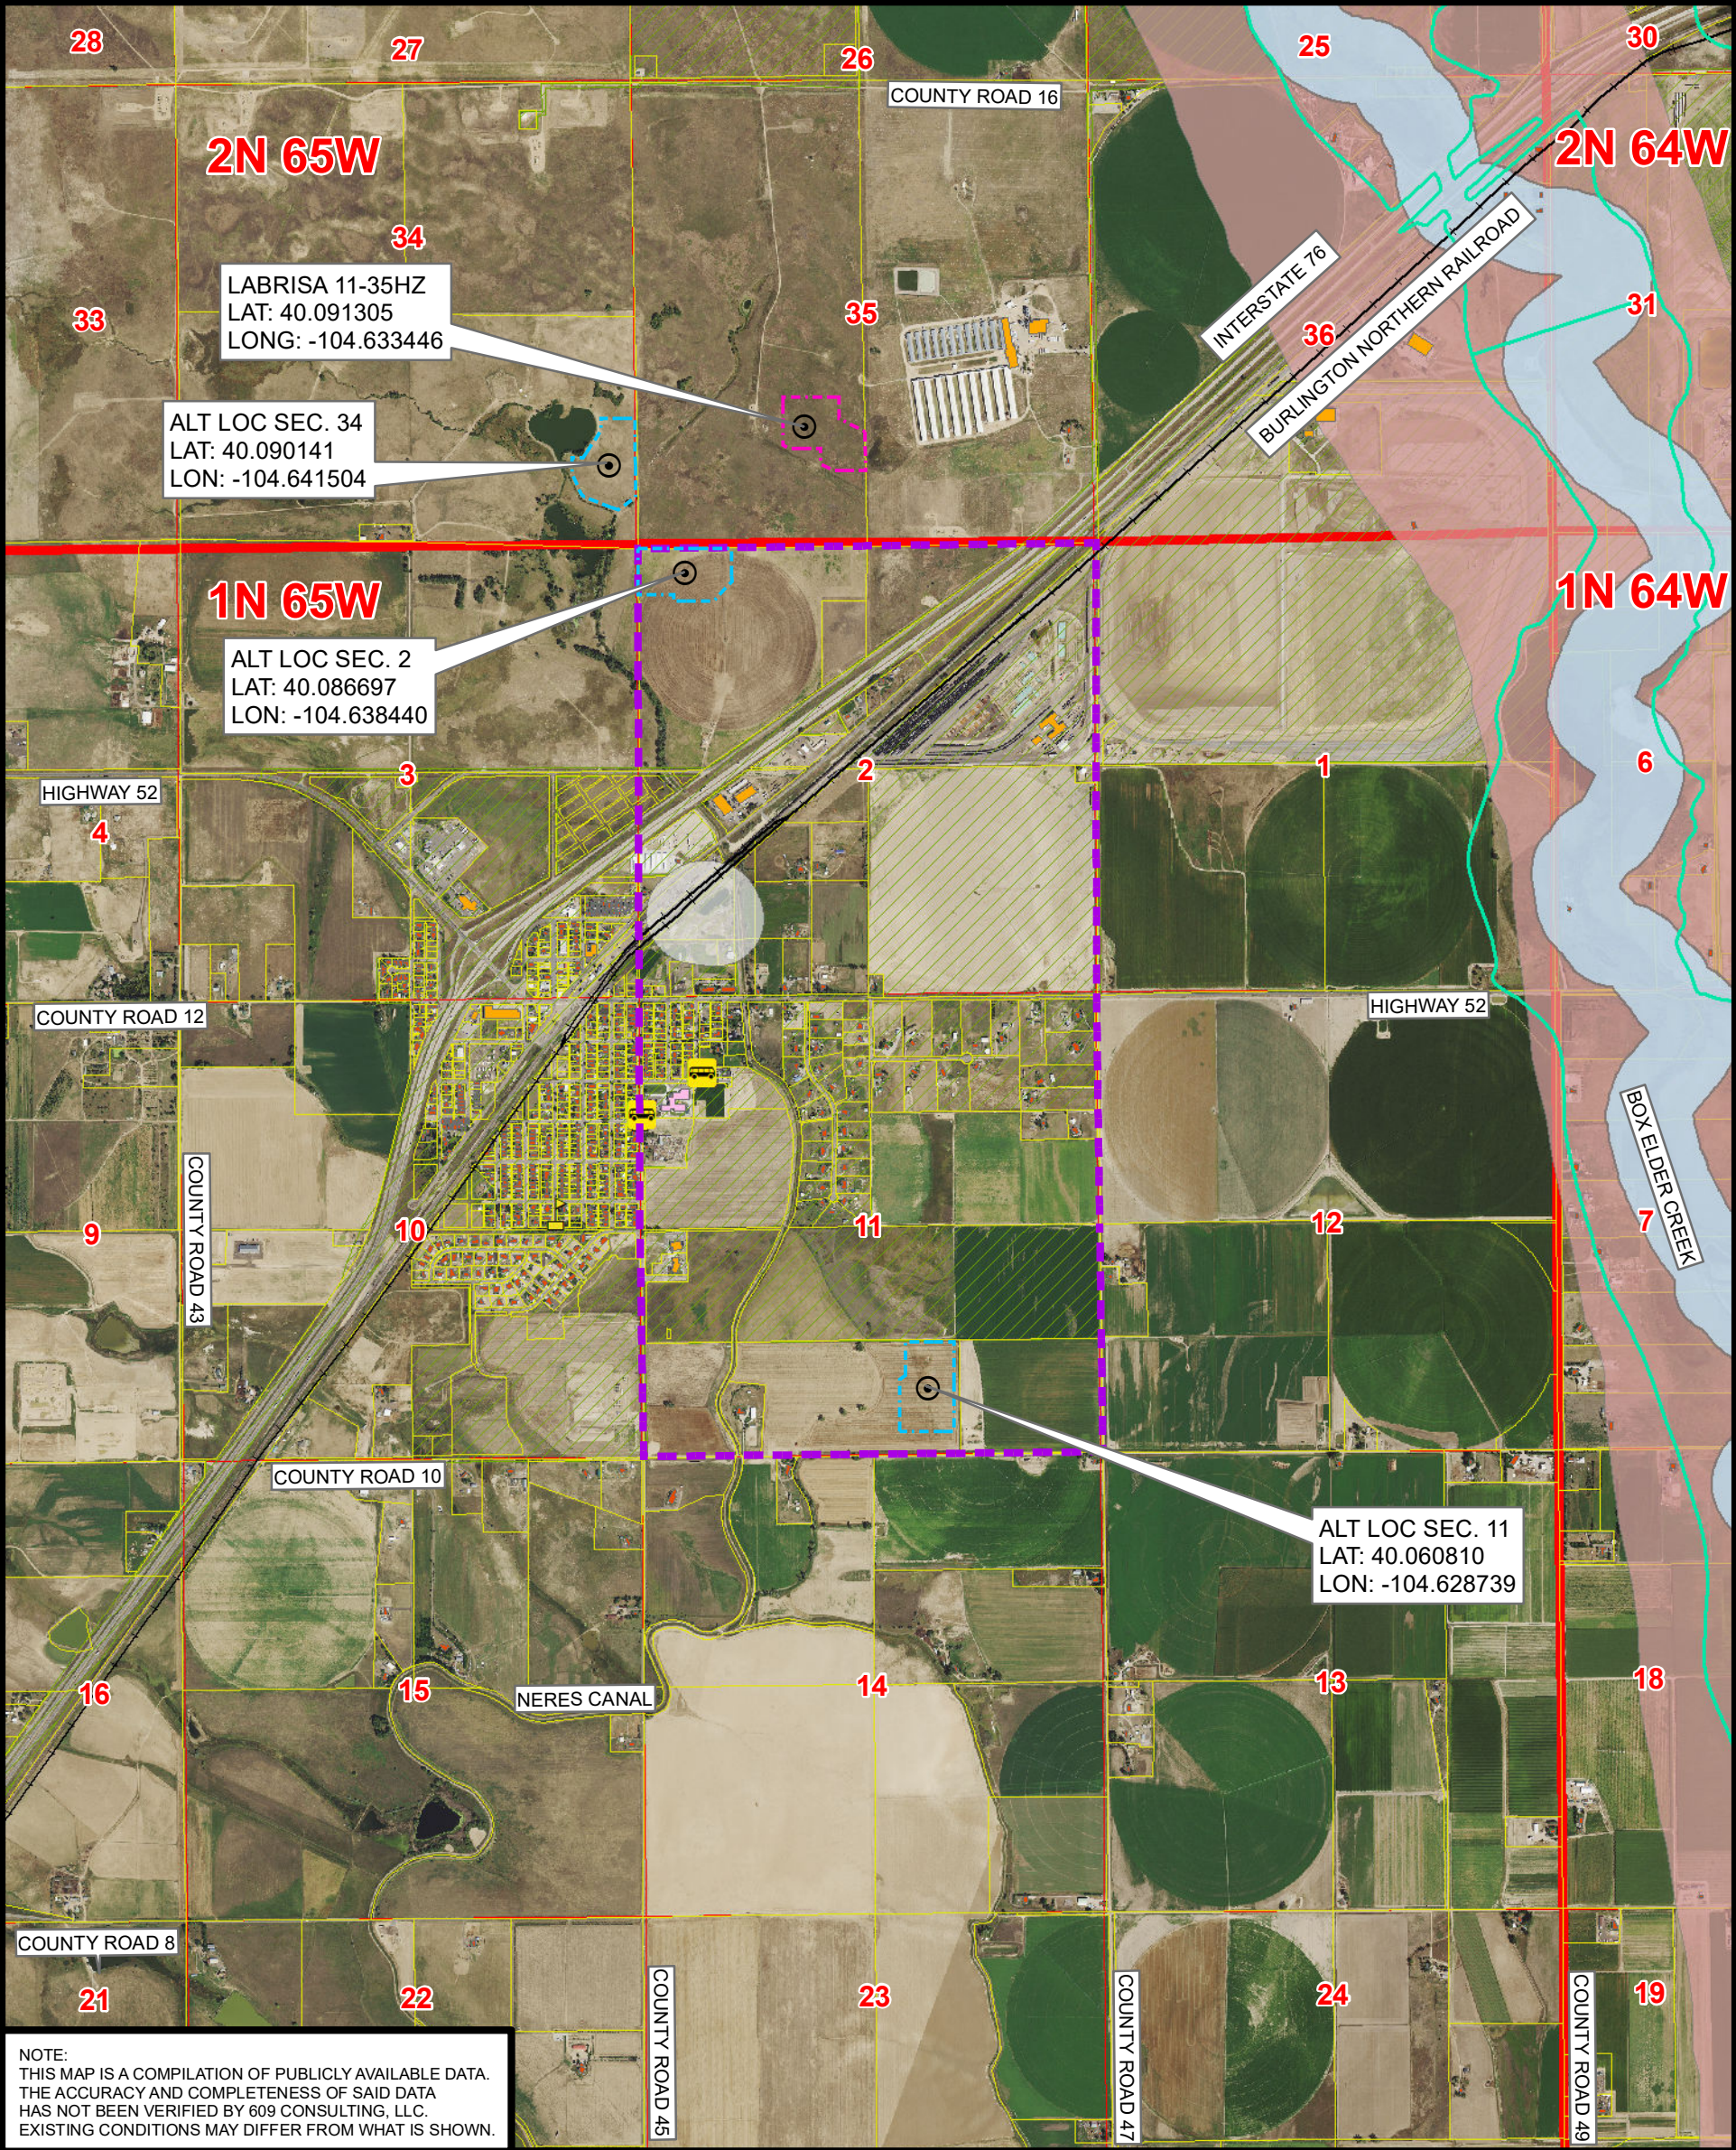

Planned Community Consultation Throughout Permitting:

- We will proactively engage with owners and tenants within 2,000 feet of the Working Pad Surfaces (WPS). The OGD area is not linguistically isolated; We will offer interpretation services as needed.
- We offer a variety of engagement opportunities upon request such as community meeting, door-to-door, small group meetings, phone calls, and emails.
- We will send the completeness letter to owners and tenants within 2,000 feet of the WPS, which will include the following information:
 - Proposed location description and map, including legal description
 - The number and orientation of wells, types of equipment, and infrastructure related to anticipated operations
 - A description, proposed timeline, and expected duration of planned operations including construction, drilling, completions, production, and reclamation
 - The proposed haul routes and traffic volume associated with each phase of operations
 - A description of each stage of operation along with a description of our BMPs to mitigate potential impacts including noise, light, odor, dust, traffic, and visual
 - Contact information for our Stakeholder Relations team

Planned Community Consultation After Permit Approval:

- Send all required municipal and COGCC notices
- Provide frequent project updates and post notices and hearing and other project information on the OxyColoradoStakeholder.com website
- Throughout the entire life of the wells, our Stakeholder Relations team is available via:
 - Phone: 1.866.248.9577
 - Email: ColoradoStakeholder@oxy.com
 - Website: OxyColoradoStakeholder.com
 - Our 24-hour Integrated Operations Center: 970.515.1500
