COGCC Inspection Report Summary On Thursday 8/10/2023 at approximately 10:50 hours, I, Inspector Tom Peterson, conducted an on-site inspection at the Noble Energy Hettinger 24-11 location #331923 in Weld County, Colorado. While there, I observed weeds around the wellhead area. The following possible compliance issues were observed: Rule 606. with a corrective action date of 8/31/2023. A follow up on this site inspection needs to be conducted to ensure the compliance issues have been corrected to comply with COGCC rules. This is a summary of the inspection report.	petersont	08/10/2023
