<p>COGCC Inspection Report Summary                      **Weather Conditions: cloudy, dry ground.                      On Tuesday, August 8, 2023 at approximately 12:30, I, Inspector Brittani Santistevan, conducted an on-site inspection at PARAGON X 30-05 (Kerr McGee Oil &amp; Gas Onshore), at location #: 302726 in WELD COUNTY Colorado.                      While there, I observed a shut in facility.                      During this inspection the following possible compliance issues were observed:                      1. Trash east of gas meter and tank battery. Remove to comply with Rule 606. (Corrective Action Date: August 31, 2023) See attached photos #3, 4.                      A follow up on this site inspection needs to be conducted to ensure the compliance issues have been corrected to comply with COGCC rules.                      This is a summary of inspection report.</p>	santistb	08/08/2023
