COGCC Inspection Report Summary On Wednesday 8/9/2023 at approximately 10:10 hours, I, Inspector Tom Peterson, conducted an on-site inspection at the PDC Energy Nelson 34K location #310839 in Weld County, Colorado. While there, I observed that the wellhead sign was not posted and trash next to wellhead fence. The following possible compliance issues were observed: Rule 605.d. with a corrective action date of 11/10/2023, Rule 606. with a corrective action date of 11/10/2023. A follow up on this site inspection needs to be conducted to ensure the compliance issues have been corrected to comply with COGCC rules. This is a summary of the inspection report.	petersont	08/09/2023
