OIL & GAS
CONSERVATION COMMISSION

A Mr. Olen Coker, picked up ^{the} lease after
Broadhead dropped it. The pipe is in the hole
with a valve on it, 4 ft underground.

The pits and cellar are leveled and being
farmed over.

Broadhead Stiner #1

SE. NE NW. 24-2N-3W.

4/3/63

Has been plugged to top of perforation.
Broadhead wants to pull the pipe on this
Well and he plans to do it right away.
