Hi Ms. Debbie Lutz,

I have been informed by John Morgan that I needed to furnish you the Form 1A - Designation of Agent -that apparently/inadvertently had not been furnished to date.

As such, I have attached copy of the executed form signed by William Warren to best of his ability last year- and am also postal mailing a copy to your attention per the Form 1A instructions forwarded by John Morgan.

Please be aware I had been in communication with Debbie Bracey since August 2022 and was already furnished with operator number 200668 to act as agent for Production Management Inc - your operator #72185 (William Warren, President) - due to William Warren significant health matters and on behalf of his family.

We have also been attempting to get approval of Form 9 (Transfer of Operator) since Summer 2021 to Monument Gas Marketing Inc - and coming close to all compliance updates to best of my knowledge.

I have been forwarding various compliance reports of behalf of Production Management Inc since Summer 2021 via postal mail and online since August 2022.

Many thanks for your assistance in processing this form and apologize for my inadvertent failure to furnish same to your attention previously.

Best regards,

Bob Anderson  
Agent for Production Management Inc.
