Re: Mason's #2 Globe-Highline
Mason's #1 Barcus
Ralph R. Bradley's 2 Globe Highland
Canal
E.M. Edward's-Anderson Ranch

Gentlemen:

Bond Release request of 8-10-62

The bond covering Ralph Bradley's #2 Guccini-Highline Canal,
may be released as of September 19, 1961.

The bond covering William J. Mason's # 1 Barcus well may be
released as of March 23, 1962.

Regarding Ralph Bradley's # 2 Reynolds-Globe in SESE 18-2N-2W
we are waiting for completion report... Bond cannot be released at this time.

We understand the E.M. Edward's well # 1 Anderson Ranch in the
NW SE of 2-4N-32 W is to be a water well. In February we wrote Mr. Edwards
requesting him to send us a copy of water permit for this well and a letter
from the landowner releasing him of responsibility to plug well. This bond
cannot be released until we receive same.

Very truly yours,
OIL AND GAS CONSERVATION COMMISSION
