Dear Mr. Yaghi:

Caerus Piceance LLC (Caerus) is the operator of the PL24NE ("Well Site"). You are, per the records of Mesa County, Colorado, the owner of the surface of the lands on which the Well Site is located (the "Surface Owner").

Caerus has monitored revegetation of the reclaimed Well Site and determined that the location is at or near the threshold for final closure. Based on your request, Caerus intends to leave the fencing currently in place around the reclaimed Well Site for your agricultural operations. You agree to take responsibility for the fence and that Caerus will no longer have an obligation to remove the fencing. Your acceptance and acknowledgement of the foregoing does not release Caerus from its responsibilities for compliance with COGCC regulations, nor do you by signing accept any responsibility or future liability for the same.

If this letter correctly reflects your agreement, please sign and date this letter and return one copy to the undersigned with the prepaid envelope.

Thank you for your time and consideration in this matter. If you have any questions or comments, please call the undersigned at 970-985-1692 or 970-285-2614.

Sincerely,
Caerus Piceance LLC,

Makayla Grant
Landman

I ACKNOWLEDGE AND AGREE as set forth above.
