Mr. Walter D. Broadhead  
1645 North 7th Street  
Grand Junction, Colorado

Dear Mr. Broadhead:

This is written with reference to three wells drilled by you:

The No. 1 Pure-Federal in Section 6, T8S, R101W

The No. 2 Pure-Federal in Section 1, T8S, R101W

✓ The No. 1 Stiner in Section 24, T2N, R3W — *NENW*.

The intentions to drill the two Pure-Federal wells are still being held pending receipt of the Designation of Agent form.

If these wells have been drilled, completion reports are needed, and if dry holes, plugging records.

We are still waiting for the present status of the No. 1 Stiner well.

Please give immediate attention to these matters so the files may be brought up to date.

Very truly yours,

OIL AND GAS CONSERVATION COMMISSION  
OF THE STATE OF COLORADO
