OIL AND GAS CONSERVATION COMMISSION

Room 312, State Services Bldg.

DENVER, COLORADO 80203

Gentlemen:

We did not drill this well, because we never did or get the title of option, on this lease cleared up, so could receive my money from the oil runs.

I have stopped drilling operations on the lease, until I can get the title option cleared and legal.

We fully intended to drill this location, before Dec. 23/64, but because of this legal difficulty, we could not.

So please let us know if will have to apply for a new drilling permit for this location, when the title option is cleared, which should be soon. Or can I start drilling on this permit.
