Comment This location does not comply with Rule 1003. During this inspection, Staff observed that the interim areas do not appear to be progressing Rule 1003 standards and regulations. The interim areas are predominantly undesirable vegetation (e.g. russian thistle and kochia; and Colorado List B Noxious Weed- Scotch Thistle) was observed to be growing throughout and does not appear to have been recently managed. Additional reclamation activities are required. Refer to attached inspection photos.

Corrective Action Comply with Rule 1003. Location will remain out of compliance until the corrective action has been resolved.

Comment: This location does not comply with Rule 1002.f. During this inspection, Staff observed that portions of the access road are experiencing erosion degradation with evidence of rilling. Additionally, no apparent stormwater control measures were observed to control and/or contain sediment from leaving location due to rill eorsion occuring on the access road. Refer to attached inspection photos.

Corrective Action: Comply with Rule 1002.f. Location will remain out of compliance until the corrective action has been resolved.

Date: 09/05/2023

Pits: ☐ NO SURFACE INDICATION OF PIT
