General Comment:

[CECMC Inspection Report Summary](#)
On 09/07/2023 at approximately 09:09 hours, I, Compliance Specialist, Wayne Smelser Conducted an on-site inspection at TEP ROCKY MOUNTAIN LLC DOE 1-M-19 Pad. Location # 311545 in Garfield County Colorado. Location is within High Priority/Density Habitat areas. Location is approximately 140 yards from a creek/drainage that contributes to the Colorado River. While there, I observed normal production operations.

During this inspection the following compliance issues were observed:

1. Housekeeping - Weeds/undesirable plant species in secondary containment with a CA date of 09/17/2023
2. Equipment - Open ended load lines with a CA date of 09/17/2023

A follow up on this site inspection needs to be conducted to ensure the compliance issues have been corrected to comply with CECMC rules.
This is a summary of inspection report.

Dual lease, shared facilities with DOE 1-W-19, location # 311567.
