<p><a href="#">ECMC Inspection Report Summary</a>                      On Tuesday 9-5-2023 at approximately 11:00, I, Inspector Michael Kester, conducted an on-site inspection.                      Location: Rocky Mountain Fuels CO C 7                      Operator: KPK                      API#: 123-08871                      County: Weld                      While there, I observed producing well that appeared to be shut in.                      During this inspection the following possible compliance issues were observed:                      Unused equipment, Rule 606, Corrective action date 10-5-2023                      See attached photo 1, 2, &amp; 3                      Weather conditions: dry and sunny                      A follow up on this site inspection needs to be conducted to ensure the Compliance issues have been corrected to comply with ECMC rules.                      This is a summary of inspection report.</p> <p>This inspection does not nullify any orders or NOAV from the COGCC</p>	kesterm	09/05/2023
