Mr. Leo A. GeBauer
LuBauer Petroleum Company
1917 East Washington St.
Phoenix 34, Arizona

Dear Mr. GeBauer:

You may recall that in October 1964 you wrote us and gave us the status of several of the wells in the Rangely Field. I have enclosed a copy of this letter for reference.

Of course, some of these wells have been abandoned or completed. However, we should appreciate being advised of the status of the following wells located in Rio Blanco County, Colorado:

#12 Gov't., SE NE, Sec. 11, T-1N, R-102W
#12C Gov't., SW NE, Sec. 10, T-1N, R-102W
#41 Gov't., Lot 14, Sec. 3, T-1N, R-102W
✓ #43 Gov't., NW NW, Sec. 11, T-1N, R-102W
#44 Gov't., Lot 4, Sec. 11, T-1N, R-102W

as well as the Denver 033804B #2, NE NE, Sec. 9, T-1N, R-102W, about which we did not previously ask.

In addition to these wells carried under LuBauer Petroleum Company, we should appreciate any information, or possibly a plugging record if one is available, for the #1 GeBauer-Rippy which was drilled in the NW SW, Sec. 10, T-1N, R-102W. We have never received a plugging on this well.

Your early attention to these matters will be greatly appreciated.

Very truly yours,

OIL AND GAS CONSERVATION COMMISSION

William R. Smith
