THIS IS THE #3rd request for ; information on this well.

2-19-59 and again on 4-7-59

Gentlemen:

A review of our records indicates that we have not received the completion report on the following wells:

<u>LEASE</u>	<u>LOCATION</u>	<u>FIELD</u>	<u>COUNTY</u>
1 Hinrick-Kirby	14-2N-10 2 W	we	Rio Blanco

~~Intention filed Nov. 3, 1958~~

~~no other reports sent to our office other than bond.~~

~~If this is a plugged well, forms 5 and 6 must be sent in and bond will be automatically cancelled by letter.~~

We received your notice to abandon this well on _____; however, we must also have the completion report on our form OGCC-5, in order to close well file.

If this well has not been drilled to date, please advise.

According to the Rules and Regulations of the Commission, completion reports should be sent in within thirty (30) days after completion of a well. Three (3) copies for wells drilled on Patented or Federal land, and Four (4) copies for wells drilled on State lands. Some blank forms are enclosed for your convenience.

Your prompt attention to this matter will be appreciated.
