Mr. William J. Mason
Box 295
Fruita, Colorado

Dear Mr. Mason:

I previously contacted you about the #1 Barcus well in the SE $\frac{1}{4}$ NE $\frac{1}{4}$ of Section 11, Township 2 North, Range 3 West. At that time you informed me that Mr. Bradley was operating. I have enclosed a copy of another letter, in that regard, and remind you that you are responsible for the well until such time as a change of operator is approved by this office.

On January 26, 1961, I wrote you regarding the status of the:

No. 1	Gulf Oil Government,	NESW,	9-8S-101W
No. 2	" " "	, NE SW,	9-8S-101W
No. 3	" " "	, SWNE,	8-8S-101W

Will you please advise, by return mail, of the present status of each well as well as the results of any tests that have been taken since completion.

Yours very truly,

OIL AND GAS CONSERVATION COMMISSION
OF THE STATE OF COLORADO

William R. Smith, Senior Petroleum Engineer
