Re: Willard H. Pease Oil & Gas Lease Bonds *OK*  
Home Insurance Company Bonds *No* #NB741464, #NB741465 & #NB722733 *OK*

Dear Mr. McKee:

Regarding our conversation yesterday, I am enclosing copies of the captioned bonds which show the well name and legal location.

As I explained, we have attempted to cancel these bonds for the last two years but have been unable to obtain releases from your office. Mr. Pease has sold the leases and bonds should be obtained from the new owners.

We will certainly appreciate your help in getting releases forwarded to us promptly, as Mr. Pease refuses to pay the premiums.

Sincerely,

*Sam Suplizio*
