Mr. Paul Bogdanich  
1212 Walker Bank Building  
Salt Lake City, Utah

Dear Mr. Bogdanich:

As your secretary will advise you, I called your office Monday morning to determine why you had been unable to cooperate with us in regard to your well in the Mack Creek Field, Mesa County, Colorado. We have had no production since January 1965. I was advised that you had sold the well and wanted to make it clear to you that, first, you are responsible for the well until such time as this office has approved a change of ownership, and, second, you are responsible to this office for the filing of production reports for each of the months the well produced during your ownership.

Apparently, I forgot to advise you earlier that violations of our Rules and Regulations carries a penalty not to exceed \$1,000 per violation, and not more than \$1,000 per day while in violation.

Your immediate attention to the above matters will be greatly appreciated.

Very truly yours,

OIL AND GAS CONSERVATION COMMISSION  
OF THE STATE OF COLORADO
