Re: Surface Use Agreement
Florence Project Area
Fremont County, Colorado

Mr. Sullivan,

This letter confirms receipt of a note from you requesting cessation of road use and further serves written notice that AusCo Petroleum – Florence (Incremental O&G) is terminating the Surface Use Agreements with Brian Sullivan and Ledger Rock Ridge, LLC for the Florence Project Area in Coal Creek, Colorado, effective immediately.

A review of operations indicates that the access road from CR95, also known as Coal Creek Drive, has not been used by AusCo Petroleum – Florence since February 2019 and will no longer be used.

Please feel free to contact me with any questions or concerns.

Best regards,
