

Colorado Oil & Gas Cons. Comm  
ENVIRONMENTAL RESPONSE FUND  
ESTIMATE REQUEST FOR RESTORATION OF PLUGGED WELL SITE

April 19, 1999

Dave Rebol, H & R Well Services  
17509 Morgan County Rd 14  
Fort Morgan, CO

Please provide an estimate to remove cement blocks and pump bases, risers, and oilfield debris and level site as required for erosion control. Rescedding may also be required caused by disturbance during restoration.

Material will not be buried at site unless a written agreement from the landowner can be obtained. Contractor prior to starting work shall notify landowner.

This is a non-bid project, however, all work must be completed and invoice submitted prior to May 31, 1999. It is necessary to have invoices approved for this fiscal year.

WELL SITE LEGAL                      WORK REQUIRED

087-05779      Beeman #1      Zorichak                      Landowner:  
NENE 35-1 N-59 W      remove/bury cement base, risers, debris, contour, restore grass

Please attach your Certificate of Insurance with the return cost estimate and return to Ed Binkley.

The project can be started as soon as COGCC approves estimate for expenditure. Any questions regarding the locations or final field inspection shall be directed to Ed Binkley at 970-380-2683.

COGCC Rule 1004 shall be the guide for final reclamation.

Sincerely,

E. B. Binkley, Colorado Oil & Gas Cons. Comm  
Erf/08705779

Your estimated cost for work including disposal fees: \$ 980

Your signature: Dave Rebol                      date: 4/19/99
