**Re: Abandonment of Flowline in Place
Livengood 7-7 well
SWNE Sec 7-7N-59W
Weld County, Colorado**

Dear Mike,

Pursuant to Rule 1105.d (2) A of the Colorado Oil & Gas Commission Rules (the "Rules") a surface owner must be in agreement to abandon flowlines in place. Markus Production, Inc. desires to abandon in place the flowline that runs from the Livengood 7-7 surface location to the Livengood tank battery per Rule 1105.e of the Rules and hereby requests your agreement to such action.

Thank you for your attention to this matter as we work to finalize all abandonment and reclamation operations on your property.

Please acknowledge your agreement below and call me if you have any questions.

MARKUS PRODUCTION, INC.

Mark E. Brown
President

Yes, We agree to the abandonment of the Livengood 7-7 flowline in place
 No, We do not agree to the abandonment of the Livengood 7-7 flowline in place
