Re: Bond claim request

Plainview Oil and Gas, Inc. was ordered to plug, abandon, and reclaim the No. 1 MPIC 9-39 well, NWSW of Section 9, Township 2 South, Range 70 West, by September 19, 2001 per Commission Order 519-2. Order 519-2 specified that if Plainview Oil and Gas did not comply with the terms of the Order, the Commission shall make a claim on the plugging bond and perform the work.

A field inspection was conducted on September 24, 2001 and verified that the well has not been plugged and abandoned to date. Because Plainview Oil and Gas, Inc. is in violation of Order 519-2, I am requesting that you begin the process to claim Plainview's plugging bond for the No. 1 MPIC 9-39 well.

The well is to be plugged, abandoned, and reclaimed according to the attached procedures.
