**General Comment:**

[COGCC Inspection Report Summary](#)

On 10/17/2023 at approximately 11:45, Compliance Inspector Matthew Morris conducted an on-site inspection at TEP ROCKY MOUNTAIN LLC, CHEVRON-66S96W/20SESW at Location ID #335183 in Garfield County, Colorado.

Normal production operations were observed.

During the inspection, the following compliance issues were observed:

- 1) Stormwater; refer to Stormwater section

A follow-up on this site inspection will be conducted to ensure the compliance issues have been corrected to comply with COGCC rules.

This location is within or in close proximity to, a CPW Density/High Priority Habitat, Black Bear, NSO Habitat, or Wildlife Management area.

|                  |                 | Ditches                 |                       |               |                          |                                    |
|                  |                 | Gravel                  |                       |               |                          |                                    |
|                  |                 | Retention Ponds         |                       |               |                          |                                    |
|                  |                 | Sediment Traps          |                       |               |                          |                                    |

Comment: Location surface lacks stabilization with insufficient vehicle tracking BMPs in place to minimize transportation of sediment.

Corrective Action: Oil and gas operators shall implement and maintain Best Management Practices (BMPs) at all oil and gas locations to comply with Rule 1002.

Date: 11/04/2023

**Pits:**     NO SURFACE INDICATION OF PIT
