Re: Abandonment of Well
53, Rangely Field,
Rangely, Colorado.

Dear Sir:

Inclosed you will find forms 5 and 4 which are necessary in the abandonment of Well 53, together with Well logs as they relate to the same.

We did not drill this well and the inclosed information is all that we are able to accumulate from the drilling company and operator responsible for the drilling of this well.

WE have searched every ones files that had or may have had any connection direct or indiretly with this well.

Yours very truly,
