Gentlemen:

Returned herewith are the reports which you recently filed on well No. 2-X "Hayes-LuBauer," SE $\frac{1}{4}$ sec. 10, T. 1 N., R. 102 W., Rangely field, lease Colorado 02894. The well completion report does not show date spudded, date total depth reached, tubing record, or the initial potential. Please furnish this information in the spaces circled in red.

The "Sundry Notice" does not have any information on it. Please complete these reports and return both sets to this office.

Sincerely yours,

Rudolph C. Baier, Jr.
Assistant District Engineer
