Gentlemen:

We have been advised by the State Oil & Gas Conservation Commission that you are preparing to start drilling operations on well #2, Colorado 02894, SE $\frac{1}{4}$ SE $\frac{1}{4}$ sec. 10, T. 1 N., R. 102W.

We do not seem to have received a notice of intention to drill well #2, and will appreciate it if you will see that this notice is forwarded promptly.

Yours sincerely,

E. R. Haymaker
District Engineer
