<p>COGCC Inspection Report Summary On Tuesday 10/24/2023 at approximately 09:45 hours, I, Inspector Tom Peterson, conducted an on-site inspection at the Anadarko UIV 18-20 location #306059 in Weld County, Colorado. While there, I observed erosion on the SW corner of the location and lease road. During this inspection the following possible compliance issues were observed: Rule 1002.f.(2)C. with a corrective action date of 11/10/2023. A follow up on this site inspection needs to be conducted to ensure the compliance issues have been corrected to comply with COGCC rules. This is a summary of the inspection report.</p>	petersont	10/24/2023
