<p><b>COGCC Inspection Report Summary</b>  <b>WEATHER CONDITIONS:</b> sunny, wet ground.  On Wednesday, November 1, 2023 at approximately 1200, I, Inspector Brittani Santistevan, conducted an on-site inspection at COOK 8-9 (Kerr McGee Oil &amp; Gas Onshore), at location ID: 305662 in WELD COUNTY, Colorado.  While there, I observed shut in facility.  During this inspection the following possible compliance issues were observed:  1. It appears to be unused equipment south of access road to wellhead and near separator. (Corrective Action Date: February 1, 2024) See attached photo #1, 7.  2. It appears to be holes in the earth berm surrounding the separator. Comply with Rule 603.o. (Corrective Action Date: December 2, 2023) See attached photo #8.  A follow up on this site inspection needs to be conducted to ensure the compliance issues have been corrected to comply with COGCC rules.  This is a summary of inspection report.</p>	santistb	11/02/2023
