Dear Sir:

Please submit information as to the correct location of  
well # 114.

The Intention to drill this well gives the location as 800  
feet from the North line and 325 feet from the West line, whereas this  
report gives the location as 1000 feet from the North and 300 feet from  
the West line of Section 11, 1N, 102 W.

Very truly yours,
