Re: Petrel's Proposed Morrison Well  
Rio Blanco County, Colorado

Mr. D. V. Rogers, Director  
Colorado Oil and Gas Conservation Commission  
Room 237, Columbine Building  
1845 Sherman Street  
Denver, Colorado 80203

Dear Mr. Rogers:

This will provide Pan American's waiver to Colorado Rule 316 whereby we would have no objection to Petrel's proposed Morrison well to be drilled on its Lease No. D032682 A, T1N-R102W, Section 11, SW NE, 1843 feet south of north section line and 2155 feet west of the east line.

Pan American holds the Morrison rights in adjoining Leases No. 052318 and No. 028491 to the west and north respectively of Petrel's proposed Morrison well.

Yours very truly,

cc: Mr. James S. Hauck  
Vice President
