<p><a href="#">ECMC Inspection Report Summary</a>                      On Tuesday 11-7-2023 at approximately 12:00, I, Inspector Michael Kester, conducted an on-site inspection.                      Location: Carl M Cary 1                      Operator: KPK                      API#: 123-07678                      County: Weld                      While there, I observed well site with pumping unit.                      During this inspection the following possible compliance issues were observed:                      Debris, Rule 606, corrective action date 11-14-2023                      Weather conditions: sunny and dry                      A follow up on this site inspection needs to be conducted to ensure the Compliance issues have been corrected to comply with ECMC rules.                      This is a summary of inspection report.</p> <p>This inspection does not nullify any orders or NOAV from the ECMC                      This is a continuing education inspection</p>	kesterm	11/07/2023
