**Mr. Frank Rozich, Director  
Water Pollution Control Commission  
4210 E. 11th Avenue  
Denver, Colorado 80220**

**Gentlemen:**

**Enclosed is an application for disposal of produced Mississippian water from the Golden Spike Field. The proposal is to dispose of the water into the Kinderhook and Arbuckle formations. Unless there is an objection, we plan to approve this application.**

**Very truly yours,**

**OIL AND GAS CONSERVATION COMMISSION**

**Douglas V. Rogers  
Director**
