<p><a href="#">ECMC Inspection Report Summary</a>                      On Thursday 11-9-2023 at approximately 12:00 I, Inspector Michael Kester, conducted an on-site inspection.                      Location: Ogren H unit 1                      Operator: Crestone Peak                      API#: 013-06105                      County: Boulder                      While there, I observed well site with production site.                      During this inspection the following possible compliance issues were observed:                      Sign, tank volume, Rule 605h, corrective action date 12-9-2023, photo 6                      Weather conditions: sunny and dry                      A follow up on this site inspection needs to be conducted to ensure the Compliance issues have been corrected to comply with ECMC rules.                      This is a summary of inspection report.</p> <p>This inspection does not nullify any orders or NOAV from the ECMC                      This is a continuing education inspection</p>	kesterm	11/09/2023
