General Comment:

On 11/8/2023, Ryan Costa conducted a follow up inspection of the CHEROKEE & PITTSBURG #86 location.
The location is not in compliance with the Final Reclamation requirements.
See attached photos and additional details within this report.

This is the seventh inspection documenting non-compliance of the reclamation rules.
The corrective actions of the previous reclamation inspections have not been performed.
Operator is directed to perform corrective actions outlined on this inspection report immediately.

Comment: **The location has not been reclaimed and there is various debris throughout the location. There is an old power pole, cement blocks, and a wood beam that remains. There are areas of oil stained soil and gravel that remains. All debris must be removed and the location must be reclaimed. Previous corrective action was not performed. Corrective action needs to be performed immediately to obtain compliance.**
