Comment:

Appears the Operator has performed final reclamation activities, with the evidence of drill rows. Germination of desirable species was observed throughout the disturbance area.

However the area was mowed therefore the operator shall continue to monitor and manage this site until the location meets Rule 1004 standards, including stormwater and weed management. Operator shall submit a Form 4 Final Reclamation Complete notice when the location meets Rule 1004 standards. ECMC may conduct inspections prior to receiving said notice to ensure compliance with Rule 1004.

The tank battery location is still active and servicing other well locations.
