Comment:

In response to the previous corrective action, Operator has performed additional final reclamation activities, which included conducting soil testing, developing a Reclamation Plan and Forest Service consultation regarding access roads and culvert removal, which are on-going.

Operator shall continue to monitor and manage this site until the location meets Rule 1004 standards, including stormwater and weed management. Operator shall submit a Form 4 Final Reclamation Complete notice when the location meets Rule 1004 standards. COGCC may conduct inspections prior to receiving said notice to ensure compliance with Rule 1004.
