Attention: Mr. Wm. J. Bennett

Dear Mr. Bennett:

The Colorado Gas Conservation Commission met August 20 and approved the notice of intention to drill the Jones #1 well located in the Rio Blanco County, Rangely, Colo. Section 2, Township 1N, Range 102 W, 6th P. M., 298 feet North and 120 feet East of the S. W. Corner of Lot #3.

This permission is granted on the condition that the well is drilled only to the Mancos shale and we will expect prompt reports as to your progress.

Yours very truly,

John E. Cronin, Secretary  
Colorado Gas Conservation Comm.
