<p>COGCC Inspection Report Summary WEATHER CONDITIONS: cloudy, dry ground. On Monday, November 20, 2023 at approximately 1100, I, Inspector Brittani Santistevan, conducted an on-site inspection at WEICHEL 14, 19, 23, 35, 36-14 (Kerr McGee Oil and Gas Onshore), at location ID: 330758 in WELD COUNTY, Colorado. While there, I observed temporarily abandoned wellheads. During this inspection the following possible compliance issues were observed:</p> <p>1. Overgrown vegetation outside and inside of each wellhead fencing. Comply with Rule 606. (Corrective Action Date: December 4, 2023) See attached photo #2-7.</p> <p>A follow up on this site inspection needs to be conducted to ensure the compliance issues have been corrected to comply with COGCC rules. This is a summary of inspection report.</p>	santistb	11/20/2023
