Gentlemen:

An approved copy of application to drill the No. 1 J.Keller well in section 25-1N-93 West is enclosed.

The blanket bond sent us was in the amount of \$10,000. Effective August 1, 1971 the amount of a blanket bond has been increased to \$30,000. A single bond is now \$5,000.

You can either send in a new bond in the amount of \$30,000 or submit an insurance ride, making original bond \$30,000.

Very truly yours,

OIL AND GAS CONSERVATION COMMISSION
