RE: Our File No. 59233  
J. Keller No. 1 Well  
Bond No. 613459  
Rio Blanco County, Colorado

Gentlemen:

In March, 1973 we submitted to your office a \$5,000.00 Single Well Bond in connection of our drilling of the J. Keller No. 1 Well, located in Section 25, T1N-R93W.

The well was Plugged and Abandoned and we would now like to be relieved of liability under our bond. If we have fully complied with the State Regulations, we will appreciate you furnishing us with a letter of termination evidence. We will use this letter to furnish to our insurance company in order to cancel our bond.

Yours very truly,

HUNT INDUSTRIES
