Dear Bill:

Thank you for your letter of November 19, 1976 and your assistance in plugging of this well per instructions from the Colorado Oil and Gas Conservation Commission. By carbon copy to Mr. McKee of the Colorado Oil and Gas Conservation Commission, we would appreciate their releasing our bond as soon as possible.

Bill, do you have any information as to the whereabouts of Lichlyter of our principal as we must now make an effort to obtain reimbursement for our expenditures?

Very truly yours,

Ted Treffinger
