Bond #19-0130-721-73

Dear Walt:

This office has been unsuccessful in the attempt to get Mr. James Lichlyter to plug and abandon and/or complete the referred to well. Mr. Lichlyter has not kept in contact with this office since 8-21-74 and his whereabouts is uncertain at this time. We appreciate your efforts to locate him during the past few months.

Accordingly, under the terms of the bond and our belief that Mr. Lichlyter does not intend to return and abandon the well, you are requested to secure the proper abandonment of the hole at your earliest convenience. This letter constitutes a claim on the bond that we hold for purposes of abandonment.

You may select a contractor of your own choosing for the abandonment work and, as always, plugging instructions will be from this office. Please let me know when you have a contractor available to move on the location.

If you have questions in this regard, please advise.

Very truly yours,

J. A. McKee  
Senior Petroleum Engineer
