General Comment:**ECMC Inspection Report Summary**

On Friday, 12/08/2023, Inspector Kirby Burchett, conducted a follow up inspection at Foundation Energy Management LLC on the Lion Government 13-36 well, Location #313252, in Moffat County, Colorado.

This location is within or in close proximity to a Parks and Wildlife (CPW) District with High Priority, NSO, Density and Other Consultation Habitat regulations.

Any Corrective Actions from previous Inspections are still applicable.

Follow up inspection in response to compliance issues observed during Inspection #702501677 on 7/26/23 and FIRR #403515016 indicating all Corrective Actions have been resolved. Random debris, emergency contact on tank battery sign and inadequate tank berm are still out of compliance. Due dates will remain the same for these corrective actions.

While there during normal operations the following compliance issues were observed:

1. New and existing debris.
2. Tank battery sign still missing emergence contact information.
3. Tank berm impervious to spilled fluid has not been resolved.

Refer to Inspection Photos for observed compliance issues.

A follow up on this site inspection will be conducted to ensure all compliance issues have been corrected to comply with ECMC rules.
