Hi Lilah,

Thank you for the notice of your planned P&A. After our review, CPW agrees with your listed BMPs as long as they are within the agreed-upon pre-Form 6 CPW consultation HPH areas.

Please let me know if any questions arise. Have a great rest of your day.

*Erin- This is just FYI for when you come on board; no action is required.

Hi Lexi,

Please see two consultation requests attached. CPW has been consulted about both these locations in the past, but I am sending you this request for the purpose of maintaining current and consistent documentation.

Let me know if you have any questions. Thank you!
